MS-19	Downstream & Property Protection

COMMENTS / NOTES	

Violation code refers to applicable regulation found in the most recent publication of the Virginia Erosion and Sediment Control Regulations (4VAC50-30-40), state minimum standards and specifications as found in Chapter 3 of the Virginia Erosion and Sediment Control Handbook, Virginia Stormwater Management Regulations (4VAC3-20) and/or the local ESC/SWM ordinance.

The required corrective action deadline date applies to all violations noted on this report. If listed violation(s) currently constitute non-compliance and/or required corrective actions are not completed by the deadline, a Notice to Comply, Stop Work Order, Revoking Permit, Summons with daily accumulative fines, collecting on bond and/or other enforcement actions may be issued to the entity responsible for ensuring compliance on the above project. Failure of onsite contact to sign form does not preclude the City from further enforcement and/or issuance of code violations.

Notice to Comply violations are subject to a \$100/day civil penalty, except that the penalty for a land disturbance without a permit shall be \$1,000/day.

On Site Contact: _____ Signature _____ Inspector: _____ Signature _____ Date _____

A copy of this report/notice will be provided to the owner and/or land disturbing permit applicant via email, fax or mail if violations are noted and on-site contact is unavailable to receive report/notice.
